---

*The Board of Directors at Loyola University Maryland established the Jenkins Society to honor those individuals who have included a charitable gift to Loyola in their long-term financial plans, including gifts by bequest, trust, life income gift, IRA beneficiary, life insurance or donor advised fund.*

*Over the years these legacy gifts, both large and small, have played a significant role in enabling students to afford a Jesuit, Catholic education. These gifts also support Loyola's financial stability as a leading national liberal arts University in the Jesuit, Catholic tradition, anchored in Baltimore. We gratefully acknowledge the following donors who have included Loyola University Maryland in their estate plans.*
